## Step 1 - Invitation (Voice Message Is Best!!)

Hey There FIRST NAME! (Chat for a minute and catch up)

Hey so I wanted to run a quick idea by you. I just joined a FB community that's focused on health, fitness & weight loss that I'm getting a lot out of. It's a really positive group that already has over 2,000 people in it, and I thought some of my friends might enjoy it too! They do free challenges and share lots of tips... I can already tell a difference in my energy and am down 15 pounds (or share a testimonial of a friend!) Let me know if you want to check it out and I'll add you! If not, no worries! Either way... love seeing all your posts on here!

(If they come back asking what are the products, what is the community, or agree to be added... simply add them to the Boss Tribe Healthy Living Group and tag them in the pinned post! Don't get stuck answering all of their questions here... tag them in posts that answer the questions for you!)

## **Step 2 - After the Initial Conversation, After They've Said Yes and Been Added to the Group**

I got you added into the group on Facebook. You should see it in your notification bar that I tagged you in a couple of different posts! I'm going to give you the link below here that has a \$10 off coupon attached, so if you decide to order you will see the discount when you checkout. Feel free to reach out to me if you have questions or need recommendations. I'm happy to help!

## **Step 3 - Send Your Modere.com Referral Link!**

## **Step 4 - When They Ask Questions, Drop Them Into a Group Chat Right Away!**

That's a great question! I want to make sure I get you the correct answer so I'm going to pop us into a group chat with my friend Kathy/Jordan. Hold on just a minute!

**Most People Won't Order Right Away! Continue to Check In and Follow Up As the Conversation Flows... Remember to Continue Inviting to Future Challenges, and Invite them to Do a Referral Post!**
