

YOUR WHY VIDEO

Your First 5-7 Days

This is your official grand opening where you get to LAUNCH your business to the world!

Schedule a 5-15 minute live video on Facebook and share 3-5 reasons WHY you are starting your Modere business!

Tips for Success:

Why did you decide to get started?

Why do you want your business to get results (what is your business going to do for you?)

DO NOT mention the name Modere or the name of any of the products! Instead, share that you've partnered with a new wellness & clean living company who's mission is to create 10 million healthy homes!

Share why you're excited, and what these products or this business is going to do for you and your family!

End your video with a call to action inviting people to reach out to you if they'd like to learn more about what you're up to!
