

YOUR WOW VIDEO

Your First 12-14 Days

This is the last step in your Launch strategy, and where you share results from either your products or your business.

This video should be 5-10 minutes long... and this is where you get to share what has WOW'd you about your new venture!

Is it a particular product? Share! (Just don't mention the Modere name or any of the product names!)

Is it the training and support? Have you already earned a commission? Share!

Or maybe you are just excited about the potential... and how simple this business really is.

The point here is to be real, and be YOU!

I didn't even expect this...

I was skeptical, but I have to be real with you!

Ready to GO LIVE??? Let's DO THIS! And once you do, be sure to post in the Freedom Boss Tribe group to let us know you've completed your launch so we can celebrate!
